NOTES TO THE MFRS' INFORMATION DATABASE from VIN Coordinator Jeanette Chow

Please note the following clarification from Ameritrans Bus, Inc.'s representative.

. . . . Ameritrans Bus, Inc. purchased the assets of TMC Group, Inc. TMC Group, Inc. is still an "active" corporation and has not been dissolved statutorily (to my knowledge) however Ameritrans Bus, Inc. has taken over the assembly of the vehicles since the acquisition of the TMC assets. Ameritrans 566 letter to NHTSA indicated that they are a new bus MFG and does not reference TMC in any way. They need to be in the database as their own company, with no WMI info showing since they are final stage mfg, and not affiliated with TMC. . . .

Thanks again.

Sonny

Yes definitely needs amending. It's no part of tmc. Need Ameritrans Bus, Inc. As its own entity .
